

MP-H

multi purpose headset

The SAVOX® MP-H is a compact, durable and intrinsically safe com-unit for professionals using helmets. It offers instant clear and reliable "hands-free" communication, increasing personal safety and work efficiency, allowing full concentration the actual task. Combined with any SAVOX® com-control/PTT-unit, the high quality speaker and the noise canceling boom microphone provide excellent audio, even in high-noise areas, high speed or heavy wind. Thanks to the mounting accessories the unit can be used in combination with almost any type of helmet. The intrinsically safe SAVOX® MP-H connects to most SAVOX® com-control/PTT units adapting to most types of two-way radios.
